RESPONDENT’S PROFFER ON AWARD OF COMPENSATION

On June 24, 2020, Joanie Arseneault (“petitioner”) filed a petition for compensation under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), alleging that she suffered a left shoulder injury as a result of an influenza (“flu”) vaccine she received on September 19, 2018. Petition at 1. On June 24, 2022, respondent filed his Rule 4(c) report conceding that petitioner is entitled to compensation in this case. ECF No. 57 at 1. Accordingly, on June 27, 2022, the Chief Special Master issued a Ruling on Entitlement, finding that petitioner is entitled to vaccine compensation for SIRVA following the flu vaccine she received on September 19, 2018. ECF No. 58.

I. Items of Compensation

A. Life Care Items

Respondent engaged Linda Curtis RN, MS, CCM, CNLCP, to provide an estimation of petitioner’s future vaccine injury-related needs. For the purposes of this proffer, the term “vaccine injury” is as described in respondent’s June 24, 2022, Rule 4(c) report. All items of compensation identified in the life care plan are supported by the evidence, and are illustrated by the chart entitled Appendix A: Items of Compensation for Joanie Arseneault, attached hereto as

Tab A. Respondent proffers that petitioner should be awarded all items of compensation set forth in the life care plan and illustrated by the chart attached at Tab A. Petitioner agrees.

B. Lost Earnings

The parties agree that based upon the evidence of record, Joanie Arseneault has suffered past loss of earnings and will suffer future loss of earnings as a result of her vaccine-related injury. Therefore, respondent proffers that petitioner should be awarded lost earnings as provided under the Vaccine Act, 42 U.S.C. § 300aa-15(a)(3)(A). Respondent proffers that the appropriate award for Joanie Arseneault's past and future lost earnings is \$73,861.00. Petitioner agrees.

C. Pain and Suffering

Respondent proffers that petitioner should be awarded \$170,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

II. Form of the Award

The parties recommend that the compensation provided to petitioner should be made through a combination of lump sum payments and future annuity payments as described below, and request that the Chief Special Master's decision and the Court's judgment award the following:¹

A. A lump sum payment of \$255,316.69, representing compensation for life care expenses expected to be incurred during the first year after judgment (\$11,455.69), lost earnings

¹ Should petitioner die prior to entry of judgment, the parties reserve the right to move the Court for appropriate relief. In particular, respondent would oppose any award for future medical expenses, future lost earnings, and future pain and suffering.

(\$73,861.00), and pain and suffering (\$170,000.00), in the form of a check payable to petitioner, Joanie Arseneault.

B. An amount sufficient to purchase an annuity contract,² subject to the conditions described below, that will provide payments for the life care items contained in the life care plan, as illustrated by the chart at Tab A, attached hereto, paid to the life insurance company³ from which the annuity will be purchased.⁴ Compensation for Year Two (beginning on the first anniversary of the date of judgment) and all subsequent years shall be provided through respondent's purchase of an annuity, which annuity shall make payments directly to petitioner, Joanie Arseneault, only so long as petitioner is alive at the time a particular payment is due. At the Secretary's sole discretion, the periodic payments may be provided to petitioner in monthly, quarterly, annual, or other installments. The "annual amounts" set forth in the chart at Tab A describe only the total yearly sum to be paid to petitioner and do not require that the payment be made in one annual installment.

² In respondent's discretion, respondent may purchase one or more annuity contracts from one or more life insurance companies.

³ The Life Insurance Company must have a minimum of \$250,000,000 capital and surplus, exclusive of any mandatory security valuation reserve. The Life Insurance Company must have one of the following ratings from two of the following rating organizations:

- a. A.M. Best Company: A++, A+, A+g, A+p, A+r, or A+s;
- b. Moody's Investor Service Claims Paying Rating: Aa3, Aa2, Aa1, or Aaa;
- c. Standard and Poor's Corporation Insurer Claims-Paying Ability Rating: AA-, AA, AA+, or AAA;
- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating: AA-, AA, AA+, or AAA.

⁴ Petitioner authorizes the disclosure of certain documents filed by the petitioner in this case consistent with the Privacy Act and the routine uses described in the National Vaccine Injury Compensation Program System of Records, No. 09-15-0056.

1. Growth Rate

Respondent proffers that a four percent (4%) growth rate should be applied to all non-medical life care items, and a five percent (5%) growth rate should be applied to all medical life care items. Thus, the benefits illustrated in the chart at Tab A that are to be paid through annuity payments should grow as follows: four percent (4%) compounded annually from the date of judgment for non-medical items, and five percent (5%) compounded annually from the date of judgment for medical items. Petitioner agrees.

2. Life-contingent annuity

Petitioner will continue to receive the annuity payments from the Life Insurance Company only so long as she, Joanie Arseneault, is alive at the time that a particular payment is due. Written notice shall be provided to the Secretary of Health and Human Services and the Life Insurance Company within twenty (20) days of Joanie Arseneault's death.

3. Guardianship

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

III. Summary of Recommended Payments Following Judgment

- A. Lump Sum paid to petitioner, Joanie Arseneault: **\$255,316.69**
- B. An amount sufficient to purchase the annuity contract described above in section II.B.
